

OUR QC PROMISE

We are in this together and responding effectively to COVID-19 is a shared responsibility.

To Quad Citizens:

Our welcoming, caring, Midwestern spirit will guide us as we help promote the health, safety, and vitality of our community.

To our Visitors:

We are here to serve you in the QC by creating lifelong memories and an unforgettable experience while providing you with a safe environment.

We will strive to keep you and your most important relationships safe and ask that you do the same in return for all Quad Citizens.

Please follow established guidelines to protect your health and the health of our Quad Cities' family of communities.

How we protect, serve, engage and respond sets the stage for our bright future. We are one QC team built with the goal that together is better.
